

STAT MEDICAL
TRANSPORT

- ✓ **Basic Life Support Ambulance Transportation**
- ✓ **Advanced Life Support Ambulance Transportation**
- ✓ **Critical Care & Specialty Ambulance Transportation**
- ✓ **Event Medical Staffing (Sporting, Concerts, School Functions)**

STAT Medical Transport is committed to prompt, reliable, friendly, and convenient service.

Units are operational 24 hours per day, 7 days per week through Delaware, Chester, Montgomery, and Philadelphia Counties.

STAT Medical Transport will provide medical transportation to any hospital of the patient's choice provided no immediate life-threatening condition exists.

STAT Medical Transport will provide inter-hospital transportation from one facility to another and post-hospital discharge transportation to nursing homes, extended care facilities, or to patient's homes as medically necessary.

Accepting Medicare, Medicaid, and most other major insurance plans.

STAT Medical Transport is fully licensed, accredited, and insured for all your medical transportation needs.
